

Hong Kong Baptist University

Department of Physics

2011 Distinguished Physics Lectures

Topics in Organic Electronics

Date: 24 February, 2011 (Thursday)
Time: 8:30am – 12:30 pm
Venue: RRS 905, 9/F, Sir Run Run Shaw Building,
Ho Sin Hang Campus,
Hong Kong Baptist University, Kowloon Tong

Invited Speakers:

Professor Donal D C Bradley,
Professor of Experimental Physics, Department of Physics,
Director of the Centre for Plastic Electronics,
Deputy Principal of the Faculty of Natural Sciences,
Imperial College, London, UK.

Dr Thomas Anthopoulos,
Reader in Experimental Solid State Physics,
Department of Physics,
Imperial College, London, UK.

Professor Shu Kong So,
Department of Physics,
Hong Kong Baptist University.

Professor Raymond Wong,
Department of Chemistry,
Hong Kong Baptist University.

Professor Fu Rong Zhu,
Department of Physics,
Hong Kong Baptist University .

All are welcome!
